**Subject:** Data for [REDACTED]

Attached is the original data for [REDACTED] as well as the new data for [REDACTED]. I analyzed the remaining pbs yesterday afternoon (the unopened 2<sup>nd</sup> pb from [REDACTED] along with all 6 pbs from [REDACTED]). I did not get any +spots or crystals. I ran all the vials on the GC/MS on the screen method, with a cocaine standard. They are all negative.
